system-c

system-c

System-C fulfils the conference managers' requirement for a superior folding table system and is equally at home in contemporary and traditional syndicate meeting rooms.

A selection of table top finishes, detailed in the brochure, are available and the frames can be finished in a choice of polished stainless steel, black texture or a wide selection of epoxy powder coated colours.

Leg configuration shown on 45cm wide table

Leg configuration shown on 60cm wide table

Leg configuration shown on 75cm wide table

Standard heights are 72cm, 74cm and 76cm

Corner extension top enables L-Shape, open and closed U-Shape configurations with minimum table leg interference

Optional quarter-round extension top (standard when specifying T-Barb edging)

Corner posts with integral stacking buffers minimize the possibility of stacking damage and incorporate a swivel clip to enable tables to be linked back-to-back and end-to-end.

150cm D-End can be used as a free-standing table or to create a boardroom layout

90cm and 120cm D-End extension tables are supported by a single cantilever leg
