

Rigo

“Rigo is simply stylish”

The latest chair in Burgess’ collection is Rigo, a steel rod chair available with a chrome plated finish or powder coated solid White or Black finish. With its straight lines and multitude of applications, Rigo is sure to be a winner.

Rigo has an injection moulded polypropylene seat and back with an anti-UV treatment and is available in several colour options. It can also be supplied with upholstered seat and back pads from the Burgess collection of fabrics or can be specified by the client.

Other options available are arms, linking and a trolley for easy transportation.

The upholstered seat stacks up to 15 high and the moulded polypropylene seat stacks up to 20 high

Accessory - Floor level linking
