CHAIR FRAME FINISHES

## INVIGORATE

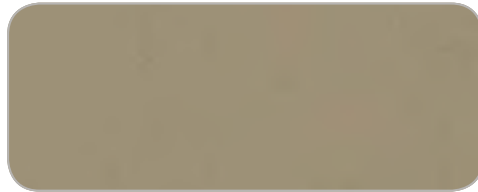

Depicting the earthy tones of our environment, Invigorate is a strong and reactive range of bold colours. Exhibiting golden, coppery tones with deep browns and bronzes for a rustic yet sophisticated result, the range offers a sleek finish with a slight sheen.

## REFRESH

This smooth range of natural tones is a new generation of polyester powder coating, offering a contemporary, matte finish. The colours reflect the deep shades of the planet; strong, earthen tones of browns and greys for an refreshing result.

Whilst every effort is made to ensure colour continuity within commercial tolerances, slight colour variations may occur from one production batch to another.
